

BEFORE THE
STATE OF WISCONSIN
DEPARTMENT OF FINANCIAL INSTITUTIONS
DIVISION OF SECURITIES

In the matter of,

WILLIAM B. DOAN,

Respondent.

CONSENT ORDER TO CEASE
AND DESIST

DFI Case No. S-233859 (EX)

I.

The Administrator of the State of Wisconsin, Department of Financial Institutions, Division of Securities ("Division"), having legal authority and jurisdiction to administer and enforce the Wisconsin Uniform Securities Law, Wis. Stats. Ch. 551 ("Ch. 551") and rules and orders promulgated thereunder, and having determined that this action is necessary and appropriate in the public interest and for the protection of investors, hereby enters this Order as follows:

II.

Division staff have presented evidence sufficient for the Administrator to make the following findings of fact and conclusions of law:

A. Findings of Fact

Respondents

1. William B. Doan ("Doan") is an adult male resident of Grafton, Wisconsin. Doan owns and operates an informal insurance business known as Assured Retirement and Estate Planning. From 1994 to 2002, Doan was a registered representative (CRD# 2478348) in the State of Wisconsin. At no time during the transactions described below was Doan registered with the Division in any capacity.

Conduct

2. Future Income Payments, LLC (FIP) is a limited liability company formerly known as Pensions, Annuities, and Settlements, LLC (PAS) and is fully owned and controlled by Scott A. Kohn. PAS was organized under the laws of the State of Nevada effective April 13, 2011.
3. According to FIP brochures, FIP is a factoring company that specializes in secondary market pension income streams sold by individuals who need lump sum cash.

4. FIP actively recruited pension holders (described as “sellers” in FIP brochures) who found themselves in acute financial distress and needed money. In exchange for the pensioner selling, assigning, or promising to pay monthly pension payments to FIP, the pensioner received a lump sum payment or loan. The adjusted annual percentage rate on these transactions was often excessive.
5. Various state regulators have forbidden FIP from doing business in their states based on findings the transactions with the pensioners lacked the features of a sale, and/or were instead more accurately described as usurious loans, and/or were offered by an unlicensed entity.
6. Through a network of investment advisors and insurance agents, FIP solicited investors (described as “buyers” or “purchasers” in FIP brochures) to purchase “structured cash flows” (i.e., pensioner monthly pension payments). FIP represented that its structured cash flows would provide higher rates of return than traditional fixed income products. It further represented that the investors would receive a consistent and predictable income.
7. MAF is a retired nurse who resides in South Milwaukee. MAF is an unaccredited investor.
8. MAF’s husband, JF, passed away on October 31, 2017. Shortly after JF’s death, Doan met with MAF at her home to discuss how to invest the proceeds of JF’s life insurance policy and other financial matters.
9. Doan reached out to the office of Joseph Hipp, who works for FIP and Scott Kohn, to inquire about structured settlements. Hipp’s office referred Doan to Scott Naughton of Houston, Texas who works with or for Hipp. Naughton and Doan discussed structured settlements generally as well as the specific FIP offerings. At no time was Doan an employee of FIP, or its predecessors.
10. Based on what he learned about FIP offerings from Naughton, Hipp and the FIP website, Doan advised MAF to invest her money in FIP with the goal of receiving monthly payments that would replace her husband’s social security check.
11. Based on Doan’s advice and representations, on December 18, 2017 MAF executed a FIP, LLC Non-Qualified Purchase Agreement (FR#5099), writing a check in the amount of \$120,000 made payable to Faw Casson law firm as escrow agent, to purchase four income streams which collectively would give her \$1,429.10 per month for 10 years. This amounts to a return of principal and interest of \$171,492.
12. On February 12, 2018, MAF executed a second FIP, LLC Non-Qualified Purchase Agreement (FR#5179), writing another check in the amount of \$40,000 made payable to Faw Casson law firm as escrow agent to purchase three income streams which collectively would give MAF approximately \$817.64 per month for five years. This amounts to a return of principal and interest of \$49,058.

13. MAF received monthly payments from her FIP investments on January 28, February 28, and March 28 of 2018, and then all payments stopped.
14. After MAF informed Doan that her payments had stopped, Doan attempted to assist MAF by informing the Wisconsin Department of Justice about her transactions with FIP and providing relevant documents.

B. Conclusions of Law

Legal Authority and Jurisdiction

15. The Administrator has legal authority and jurisdiction over the conduct described above, pursuant to Wis. Stats. Ch. 551 and the rules and orders promulgated thereunder.
16. The FIP purchase agreements were investment contract securities as defined under Wis. Stat. § 551.102(28).
17. FIP was an “issuer” as defined under Wis. Stat. § 551.102(17).
18. Doan was an agent of FIP as defined under Wis. Stat. § 551.102(2).
19. Pursuant to Wis. Stat. § 551.402(1), it is unlawful for an individual to transact business in this state as an agent unless the individual is registered as an agent or is exempt from registration as an agent under Ch. 551.

Violations

20. Through the conduct described above, Doan violated Wis. Stat. § 551.402(1) when he transacted business in Wisconsin as an agent without being registered or exempted from registration under Ch. 551.

III.

21. In view of the above findings of fact and conclusions of law, the Administrator deems it necessary and appropriate in the public interest and for the protection of investors, and pursuant to its legal authority and jurisdiction under Ch. 551, to wit Wis. Stat. § 551.604, to issue the following order and notices:
